REVOLUTION IN PRINTING

KONICA MINOLTA

Fast personal printer for business users

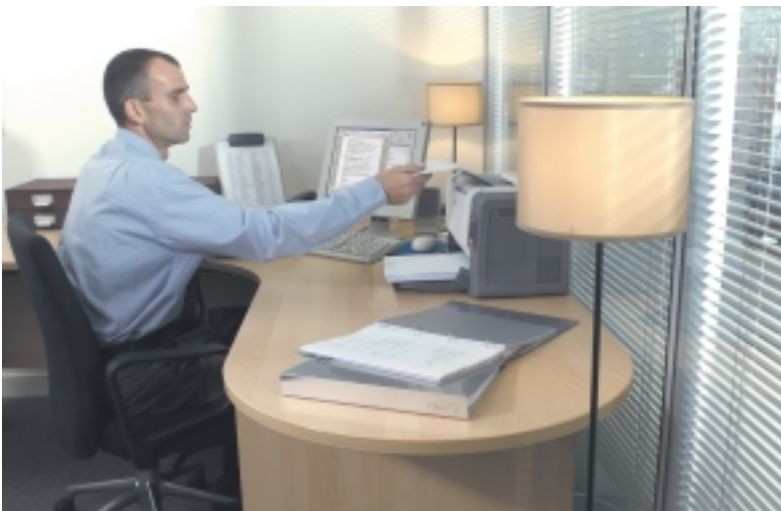

The stylish PagePro 1300 series personal laser printer is a simple to use, low cost, reliable printing solution for users needing to print a multitude of professional business documents efficiently.

Professional business documents at your fingertips

Class leading 1200 x 1200 dpi print resolution makes printing professional quality memos, letters, reports, and presentations simply and conveniently at your desktop. Combined with print speeds of up to 20 pages a minute (the first sheet taking as little as 13 seconds) the PagePro 1300 series delivers efficiency and security benefits a shared office printer cannot match.

Pleasure to Own

Great care has been taken to ensure that as well as being a technically outstanding product, the PagePro 1300 series is just right for everyday use. Its finishing touches include paper trays which fold away to minimise desk space usage, a built-in cable tidy system, a special quiet operation mode and of course its pleasing design.

PagePro 1300 series

Two models to choose from:

PagePro 1300W
Up to 16 ppm in monochrome A4

PagePro 1350W
Up to 20 ppm in monochrome A4

Low cost of ownership

The PagePro 1300 series offers more than just an attractively low purchase price. High capacity toner cartridges (requiring infrequent replacement) and plain paper printing, make owning a PagePro 1300 series a good investment for everyday use.

Easy to use

The PagePro 1300 series has been designed for non-technical users. It comes with straightforward no-nonsense printer driver software and installation instructions. It has also received Microsoft's WHQL certification for meeting standards of compatibility with their Windows operating systems, offering further peace of mind.

Quality you can depend on

Considering the quality and value the PagePro 1300 series offers, it is easy to understand why Konica Minolta is established as one of the leading manufacturers of printers and photocopiers in the world today.

PagePro 1300 series at a glance

- Up to 20ppm in monochrome A4 (PagePro 1350W)
- Up to 16ppm in monochrome A4 (PagePro 1300W)
- First page out: Less than 13 seconds
- Up to 1200 x 1200 dpi resolution
- Windows compatible
- USB and Parallel interfaces (optional network)
- GDI emulation
- 150-sheets input feeder
- Flip down paper input tray to reduce desk-space requirement

KONICA MINOLTA

PagePro 1300 series

Printing Process

Print Method: Electrophotographic laser
Print Speed: Up to 20 ppm A4 (PagePro 1350W), up to 16 ppm A4 (PagePro 1300W)
First page out: Less than 13 seconds
Resolution: 1200 x 1200 FineART™, 1200x 600, 600 x 600 dpi

Hardware and Software Capabilities

Processor type: Naltec N1 48MHz
Memory: 8 MB RAM standard
Printer Emulations:
Windows Printing System (GDI)

Interface Support

Standard Interfaces:
IEEE 1284 parallel interfaces supporting Microsoft 'Plug and Play', USB 1.1 (PC Only)

Paper Handling

Standard Paper Input: 150 sheets Multi-Purpose tray
Standard Paper Output: 100-sheet face-down output tray
Duplex Printing: Manual
Monthly Print volume 15,000 sheets (max)
Machine life 150,000 sheets or 5 years

Part Number: 1730914-001

Physical

Type: Laser printer with internal controller
Dimensions: (W x D x H)
w/input and output trays folded: 385 x 257 x 250 mm
w/input and output trays extended: 385 x 405 x 340 mm
Weight: without consumables 7 kg, with consumables 7.8 kg

Electrical

Power Requirements:
220/240V Model: 220/240 VAC ±10%, 50/60 ±3% Hz
Power Consumption:
900 W max
400 W average during printing
15 W or less in Energy Star power saving
Energy Star Compliant²

Environmental

Temperature Requirements: Operating: 10° to 35° C
Non-Operating: 0° to 35°
Humidity: Operating: 15% to 85% RH
Non-Operating: 10% to 85% RH
Noise Levels: Operating: <54 dB(A); Standby <35dB(A)

Regulatory/Safety Conformity

UL, cUL, FCC-B, DOC, VCCI, CE Marking, C-Tick, CDRH

Consumables¹

Printer ships with starter toner cartridge 1,500 pages; OPC drum cartridge 20,000 pages
Replacements Consumables:
Toner: High Capacity 6,000 pages; Standard Capacity 3,000 pages
Drum: OPC drum cartridge 20,000 pages

Warranty Period and Conditions
1 year swap warranty (within EU)

¹ The stated life expectancy of each consumable in your printer is based on printing under specific operating conditions such as page coverage for a particular page size (5% coverage of A4). The actual consumables life will vary depending on the use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity.

² The addition of some options, in some combinations may cause the product to become non-compliant.
Energy Star compliance does not represent an EPA endorsement of any product or service.

Specifications and accessories are based on the information available at the time of printing, and are subject to change without notice. For the latest information, please visit printer.konicaminolta.com
